Hi Marc,

Hope you are taking care and staying safe.

As per the most recent version of the Work Plan for the Pine Point Confirmation and Exploration Program ([Version 4](#)), Closing Arguments from Intervenors were due Friday (Sept 10).

I wanted to follow up about if you had submitted Closing Arguments on Friday on behalf of DKFN – my colleague Jacqueline is the lead on the file and she is on leave currently, so if they were sent to her email I may not have seen them.

Thanks Marc!

Kim
