Good Morning Jonathan,

Please be advised that we will no longer be needing to utilize the access road for which you gave approval for use. The plan for the execution of the project has changed and the access roads will no longer be required. Please note that there was no usage of the roads by Enbridge since the approval was issued and therefore you may rescind the approval.

Should you have any questions or concerns please contact me.

Thanks for your help

Cheers, Mahsi
Jim
