**Re: Land Use Permit Application to Harvest Timber**

On behalf of Dehcho First Nations (DFN) please accept this letter of support for the Land Use Permit Application.

It is DFN's understanding that Jean Marie River First Nations (JMRFN) has proposed harvesting timber in a sustainable manner to support their local economy. Their proposed project area represents an area that JMRFN historically used for harvest purposes, and they continue to use this area to this day. DFN agrees with JMRFN that engagement between affected parties will be positive.

For further information please contact Nicole Hardisty, Regional Technical Coordinator at [nicole\\_hardisty@dehcho.org](mailto:nicole_hardisty@dehcho.org) / (867) 695-2355.
