Hello ACFN,

Please see the attached letter regarding notification for a land-use permit application for the construction of the Taltson Hydro replacement support facilities. I phoned and left a message on your voicemail as well.

Let me know if there is any other information we can provide and thanks for your time,

Matt

[Information for Land-Use Permit Application for Construction of Taltson Hydro Replacement Support Facilities.pdf](#)

Hello Ron,

Matthew Miller here from the Northwest Territories Power Corporation; I am the Senior Environmental Licensing Specialist at NTPC and responsible for engagement related to water licences and land use permits that NTPC holds with the Land and Water Boards of the NWT (<https://mvlwb.com/registry>). Have you ever been contacted by anyone from NTPC before?

I am emailing you today regarding the Notification of Application for Land-Use Permit for the Construction of Taltson Hydro Replacement Support Facilities with the Mackenzie Valley Land and Water Board. I have attached a notification letter and information sheet for your reference.

Please let me know if there is any other information I can provide and if your organization has any input on this application. This application is related to the construction of replacement facilities at the Taltson Facility only.

Thanks and feel free to give me a call at 867 875 7917 as well.

Cheers,

Matt
