Dear Matthew Miller:

**Re: Taltson Facility Upgrades – Spill Contingency Plan - Confirmation of Changes
Taltson, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on June 25, 2020 to review your Spill Contingency Plan, which was submitted under Condition 57 of Land Use Permit MV2020X0004. At that time, the Board approved your Plan, conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on May 18, 2021, after which Board staff confirmed concordance. This letter hereby confirms that the changes required in the June 25, 2020 issuance letter have all been addressed, and the Spill Contingency Plan is therefore considered approved.

If you have any questions or concerns, please contact Andrew Wheeler at (867) 766-7467.

Yours sincerely,
