**Subject:** Establishment and location of onsite fuel tank locations - 10 day notification

Good evening,

The purpose of this email is to notify the MVLWB of the establishment of the on site fuel tank locations (Part C: Clause 59).

Diesel and Gasoline Tank Location – 61.317230, -120.676188

Diesel Tank capacity: 15,000 L

Gasoline Tank capacity: 4,500 L

Fuel tank mobilization date: November 26, 2022.

Site Representatives:

- Logistics and Transportation Coordinator - Corey White – 780-623-0542
- Construction Supervisor - Roger Moore - 306-837-3011

The Site Representatives report to the Construction Lead – Jayden Wiancko – 403-506-6400

Please let me know if you have any questions.

Thank you,

*Jayden Wiancko*
