Good morning David,

ECCC is okay with the February 15 deadline for the response to Undertaking #2.

Thanks,

Melissa Pinto

Subject: Undertaking 2

Melissa, Undertaking 2 relates to an update of expected NO2 emissions. We have determined that this work will require more time than is available before the Jan 18 submission deadline. However, we do not believe the results will materially affect the issue of a draft water licence. Therefore, for Undertaking 2 only, we are proposing a Feb 15 deadline. Please confirm ECCC is OK with this.

Thanks.
