Dear Ritch Wigham:

Re: Slave Lake Zinc – O'Connor Lake Project – Spill Contingency Plan (Version 1.2) – Confirmation of Conformity

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on September 9, 2021 to review Slave Lake Zinc's (SLZ's) Spill Contingency Plan. The Spill Contingency Plan was approved by the Board, conditional upon receipt of additional information and written conformity from Board staff.^{1 2}

The additional information required was received by the Board on September 24, 2021 after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the September 21 letter have been addressed, and the Spill Contingency Plan (Version 1.2)³ is therefore considered approved.

If you have any questions or concerns, please contact Kim Murray at (867) 766-7458 or email kmurray@mvlwb.com.

Yours sincerely,
