Type of Operation QUARRY SITE - Existing
Location NWT Highway No. 5, Km 44.5, HR34-11B

Dear Mr. Hynes,

An inspection of the above noted operation was conducted on October 19, 2023 by Resource Management Officer III Jayda Robillard and Manager, Resource Management Norm McCowan.

Enclosed is a copy of the Environmental Inspection Report. No environmental concerns were noted at the time of inspection. Please note Condition 6 of your land use permit states "At least 48 hours prior to the initial commencement of the land use operation, the Permittee's Field Supervisor shall notify the Board and the contact the Inspector at (867)874-6995."

Please note that your quarry permit #2021QP0033 expired on October 28, 2023. The Inspector notes that no material was removed under the authority of this quarry permit and has attached a filled out Monthly and Final Quarry Pit Return form for you to sign and return to our office. You must have a valid quarry permit if you wish to remove granular material from this pit. Quarry permit application forms can be found on our website at <https://www.gov.nt.ca/ecc/en/services/quarrying-permits-and-leases>.

If you have any questions, please contact me at 867 874-6994.

Sincerely,

Jayda Robillard
Resource Management Officer III
