Good afternoon,

Today I am writing you to follow up on my previous email requesting comments or concerns with the application that will be submitted to the Mackenzie Valley Land and Water Board.

The Application is for the moving of cabins from on lease to another. There will be an access road required to access the site and the new cabin locations. With the access to the site, a culvert will need to be placed as well. I have been working with the Government of the Northwest Territories – Department of Infrastructure on gaining access from the highway.

If you have questions or concerns, please contact me by July 30, 2021.

Thank you so much for your time.
