Subject: Initial commencement of Land Use Operation - 48 hour notification

Good morning,

The purpose of this email is to notify the MVLWB of our initial commencement of the land use operation per the attached Land Use Permit (Part C: Clause 7).

Project: Imperial – Jean Marie River B-48 Re-Abandonment.

Project Activity: Clear snow and move in/set up camp. Start constructing winter access to the wellsite.

Commencement date: November 25, 2022.

Site Representatives:

- Logistics and Transportation Coordinator - Corey White – 780-623-0542
- Construction Supervisor - Roger Moore - 306-837-3011

The Site Representatives will report to the Construction Lead – Jayden Wiancko – 403-506-6400

Thank you,

Jayden Wiancko

Suite 600, 736 – 6th Ave. S.W.

Calgary, Alberta T2P 3T7
