Subject: Annual Review of Plans - MV2021L1-0009 and MV2021X0019

Good Morning Tyree,

Per Condition 9 of Part B: General Conditions of the Land Use Permit and Water Licence, Imperial has completed a review of all plans – since the well re-abandonment has been completed there are no updates to the existing Waste Management, Emergency Response, Spill Contingency, and Engagement plans.

We are in the process of updating the Closure and Reclamation Plan and Closure Cost estimate and will have this submitted by April 21st.

Please let me know if you need any additional information.

Thanks,

Esther Choi, E.I.T. (she/her)
