Subject: Fwd: extensions request - Digaa and Timberworks

Hi there,

Please see Lorraine's request below. I also spoke to her and said we could grant the extension, so please do whatever needs to be done to let people know.

Thanks,

Shelagh

Hi Shelagh,

Is it possible to get an extension until Monday for the Digaa and Timberworks renewals? We are reviewing the security estimates and need to confirm them with the inspectors, who did the estimates last time. The inspectors are all assisting with assessments for flood relief in Hay River, so we haven't been able to discuss with them this week.

Thanks,
Lorraine
