ENGAGEMENT PLAN & LOG
NEW LAND USE PERMIT APPLICATION
September 2022

The purpose of this document is to outline my engagement log and plan to support my land use permit application to the Mackenzie Valley Land and Water Board. The purpose of the land use permit for authorization to build a landing for staging harvested timber. I have obtained a timber harvesting permit from the Environment and Natural Resources Department in April of 2022 to harvest burned stands in this area.

POTENTIALLY AFFECTED PARTIES

- Smith Landing First Nation
- Salt River First Nation
- Fort Smith Metis Council
- Deninu Kue First Nation
- Fort Resolution Metis Council
- Hay River Metis Council
- Katlodeeche First Nation
- Northwest Territory Metis Nation

ENGAGEMENT METHODS

As required, engagement will be initiated through email. Affected parties can contact owner and operator of Berthiaume Arboriculture, Antoine Berthiaume as preferred for more information.
