Subject: EOR Review and Approval – Operation, Maintenance and Surveillance Manual
Tailings Storage Facility, Cantung Mine Site, NT

Tetra Tech Canada Inc. (Tetra Tech), in its capacity as engineer of record, completed a review, provided comments, and assisted with the updating and finalizing of the March 2024 Operation, Maintenance and Surveillance (OMS) Manual for the Cantung Mine Tailings Storage Facility. This work was completed prior to final submission of the OMS Manual to the Mackenzie Valley Land and Water Board.

We trust this letter meets your present requirements. If you have any questions or comments, please contact the undersigned.

Respectfully submitted,
Tetra Tech Canada Inc.
