Dear Mark Cliffe-Phillips,

Re: Bullmoose Ruth Remediation Project – Long Term Monitoring Program – Notice of Preliminary Screening Determination – Renewal Application for Water Licence – Miscellaneous – Bullmoose, NT

The Mackenzie Valley Land and Water Board (Board) met on May 23, 2024, and considered the Application Package from Crown-Indigenous Relations and Northern Affairs Canada – Contaminants and Remediation Division (CIRNAC-CARD) for Water Licence (Licence) MV2023L8-0016 for the Bullmoose Ruth Remediation Project – Long Term Monitoring Program (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on December 5, 2016,¹ and CIRNAC-CARD has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

¹ See MVLWB Online Registry www.mvlwb.com for [CIRNAC-CARD - BMR - Preliminary Screening Report - Dec5-16](#).

Please contact Kathy Racher via [email](#) or at (867) 766-7457 with any questions or concerns regarding this letter.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Catherine Bolstad". The signature is fluid and cursive, with a large loop at the end.
