Subject: Extension for Submission of the Revised Tundra Mine Phase II LTMP
Date: Tuesday, July 30, 2024 1:10:41 PM

Hi Andrea,

CIRNAC-CARD would like to request an extension for the submission of the Revised Tundra Mine Project Phase II Long-Term Monitoring Plan (LTMP) until August 31, 2024.

We have asked our expert consultant to work through the requested revisions, and the revised version will be ready for submission by the end of August. At the same time, we intend to submit the 2023 annual report for Tundra Mine.

Please let me know if you have any questions.

Cheers,
Vincent
