Good morning-

This is written confirmation, as discussed in the pre-hearing conference, that Westcoast's response to NDDB's intervention has answered our remaining questions on the Pointed Mountain Abandonment Project application. NDDB does not require or recommend a public hearing on this file.

Subject: Pointed Mountain Abandonment Project - Westcoast Intervention Response

Good afternoon,

Please find attached Westcoast's response to the interventions submitted by the Government of the Northwest Territories Environment and Climate Change (GNWT-ECC) and Nahanni Butte Dene Band (NDDDB). This filing consists of a letter response and a revised project schedule.

Please advise if you also wish me to upload the files via the Online Review System.

Should you need anything further, please let me know.

Thank you,
Sharidene
