Dear Mr. Dumas:

Quarry Permit No.: 2023QP0005
Location: Km 41.5, NWT Highway No. 5

Further to your application dated December 15, 2022, enclosed is Receipt No. 290111 and Quarry Permit No. 2023QP0005. This permit grants authorization to remove 1000 cubic metres of gravel from the location indicated in your application.

Please note that you must be in receipt of a valid land use permit, issued by the Mackenzie Valley Land & Water Board prior to commencing operations at this location. Please ensure that you comply with all conditions annexed to this quarry permit and the land use permit once it has been issued.

Pursuant to Condition #12 of your permit, prior to the 10th day of each month the Permittee shall submit a Monthly and Final Quarry Pit Return to the Inspector indicating the quantity of material quarried. A blank copy of the form is included with this letter. This form will also be required when you have quarried all the material authorized under this permit or when your permit has expired, whichever is the earlier. Please ensure that these forms are provided as required by your permit.
