Dear Mark Cliffe-Phillips,

Re: Hay River Disposals (1985) Ltd. – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Quarry Operation – NWT Highway #5 km 44.5

The Mackenzie Valley Land and Water Board (Board) met on July 27, 2023 and considered the Application package from Hay River Disposals (1982) Ltd. (HRD) for Land Use Permit (Permit) MV2023Q0016 for the Quarry Operation located off Highway #5 km 44.5 (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on November 10, 2011,¹ and HRD has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

The Board and staff look forward to continued communications throughout the pause period. Please contact Kathy Racher via [email](mailto:kacher@mlwb.com) or at (867) 766-7454 with any questions or concerns regarding this letter.

Yours sincerely,
