Subject: Activation of MV2023X0008

Hi Clint,

Thanks for the call today.

As mentioned, we are looking to start work on the area that MVLWB issued land permit MV2023X0008.

I have included our GC doing the work. Luke Bahry (attached on this email) is the main field contact and can fill you in on our planned schedule.

Luke Bahry- 778-888-2718

Thanks,

Eric Bartlett, P.Eng
