Regarding: MVLWB File Number MV2023X0029 – Fort Providence / Kakisa Transmission Line Project online review

Good afternoon Tyree,

In follow up to the recent reviewer comment deadline extension from November 2 to November 7, 2023, may we please request an extension to the Proponent's response deadline from November 8 to November 15, 2023?

If you have any questions, please let me know.

Thank you for your consideration,

Loretta

**Subject:** Fort Providence / Kakisa Transmission Line Project - Land Use Permit Application

Good day Tyree,

We are pleased to submit the Land Use Permit application to the Mackenzie Valley Land and Water Board for the Fort Providence / Kakisa Transmission Line Project. The permit application package includes the following documents that will be sent to you via the GNWT secure file transfer system:

- Cover letter (also attached to this email)
- Application Form
- Proposed Draft Terms and Conditions
- Project Description Report
- Engagement Plan and Record
- Spill Contingency Plan
- Waste Management Plan
- Erosion and Sediment Control Plan
- Wildlife Management and Monitoring Plan

- Bird Protection Plan

All persons in the cover letter cc distribution list have also been copied on this email. In addition, we have copied WSP representatives who are supporting us on this file.

We look forward to working with the MVLWB and interested parties during the public review process.

If you have any questions or require any additional information, please let us know.

Kind regards,

**Loretta Ransom**
