Hi Becky, I will let Tom respond as I was actually not at the meeting where the Board discussed. It is really about who you want on the application and who's name is on the lease, our Board had some questions about consistency between lease and permit. As well as the clarification from ECC about whether or not you need a licence of occupation, which you don't have to do anything about.

Hi Chris,

I emailed Thomas for an update this morning, before I checked the rest of my emails! My apologies to Thomas, as the letter says to contact you for more information.

I just wanted to clarify what I am responsible for.

- a. You are asking us to clarify our names? Me and Dene are on the Recreational Lease – Rebecca Broderick and Denezize Basil. Do they want Dene to sign the application as well?
- b. Updated engagement plan – I believe this is to capture the engagement I had with an additional cabin owner (I read her comments and saw the chance to talk to her as she was at her cabin so I went to go and see her). I can update this and re submit if this is correct.

The timeline for us to be able to complete this could be Tuesday March 18th 2025.
Is this all I have to do? Or are there any other concerns to address?

Thanks!

Becky Broderick
