Renewal of MV2018L7-0002-Porritt Landing-Land Tenure

This letter is in response to your request on November 4, 2024, for confirmation of land tenure at Porritt Landing, Lot 1057, Plan 977.

The Department of Environment and Climate Change Land & Water Division confirms that there is a Government Reserve to the Department of Infrastructure at this location. The Reserve is registered under number R20-01043 and filed under 109-SK-00181. This confirms land tenure.

Please continue to test dredging material for contamination as per your water license.

Sincerely,

Katie White
