****All engagement, follow up and change in scope letters are sent via email attachment.***

Signature of Proponent (representative): _____

Signature of Affected Party (representative): ¹⁴ _____

¹³ A summary sheet for each affected party should accompany the log (which may be a chronological list of all engagement with all parties).

¹⁴ These signatures represent agreement on the contents of the log and record, but do not necessarily imply that the parties agree on the topics that were discussed.

DISTRIBUTION LIST:

Water Licence Application Pre-submission Engagement: NWT Highway 4 Km 7.94 to 10.18

The Government of the Northwest Territories, Department of Infrastructure (INF) will be submitting a water licence application to the Mackenzie Valley Land and Water Board (MVLWB) for a new water licence to place fill within the high water mark.

INF is planning to place fill within the high water mark as part of the maintenance and safety of the highway. Attached to this letter is an image of the locations as well as a table outlining the amount of fill being placed and locations. Work will fall under land use permit MV2017X0008.

Prior to submitting the application to the MVLWB, INF would like to engage with your organization. Any questions or concerns regarding the proposed application can be submitted by January 12, 2024 to Jon Posynick by email at Jon_Posynick@gov.nt.ca. Please note that the GNWT offices will be closed from December 21, 2023 to January 1, 2024 for Christmas Holidays.

Sincerely,

Kelly Joy
