Dear Mr. Harpley:

**Approval of new member on Independent Technical Review Panel**

Canadian Zinc Corporation (CZN) proposed a change to the composition of the Independent Technical Review Panel (ITRP) for CZN's Prairie Creek All Season Road (ASR) Project. This is required to fulfill Measure 5-1, Part 3 of the Mackenzie Valley Environmental Impact Review Board's Report of Environmental Assessment and Reasons for Decision for EA1415-01. Parks Canada approves the replacement of David J Watt by Lee Delauriers on the ITRP.
