Dear Mr. Peacock

The Sahtu Land Use Planning Board has reviewed the Land Use Permit application submitted by Northrock Resource Ltd. The Sahtu Land Use Planning hereby certifies that there is no approved land use plan for the area affected by the above captioned application. On behalf of the Sahtu Land Use Planning Board, I confirm that the Sahtu Land and Water has met the referral obligations to our board as outlined in the Mackenzie Valley Resource Management Act.

At this time we have no comments with respect to the above land use permit and water license application.

If you require any further information, please do not hesitate to contact our Fort Good Hope office.

Respectfully yours,

Raymond Taniton
