Dear Mr. Downie:

Re: **Land Use Permit Application - S07C-005**
Mineral Exploration – NWT Zinc Recce Project
Tulita District, Sahtu Settlement Area
Additional Information Received
Deemed Not Complete

The additional information for Land Use Permit Mineral Exploration in the Tulita District was received in our office May 2, 2007 after careful review the application has been **Deemed Not Complete**. The following items will need to be addressed before the Land Use Permit application can proceed.

Community Consultation:

The Sahtu Land and Water Board requires public consultation for every Land Use Permit application. Consultation is defined in the *Sahtu Dene and Metis Comprehensive Land Claim Agreement* and Section 3 of the *Mackenzie Valley Resource Management Act (MVRMA)*.

Under the *Sahtu Dene and Metis Comprehensive Land Claim Agreement* section 2.1.1. "consultation" means:

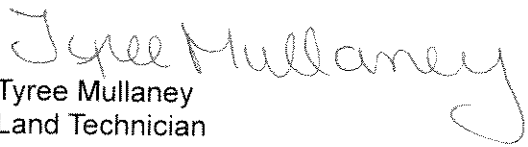

- The provision, to the party to be consulted, of notice of a matter to be decided in sufficient form and detail to allow that party to prepare its views on the matter;
- The provision of a reasonable period of time in which the party to be consulted may prepare its views on the matter, and provision of an opportunity to present such views to the party obliged to consult; and
- Full and fair consideration by the party obliged to consult of any views presented.

Please provide minutes from the meeting as well as a list of individuals that attended.

Please supply additional and correct information in quantities as per the amount of application sent to the Sahtu Land and Water Board.

If you require additional information or clarification please do not hesitate to contact our office.

Respectfully yours,
SAHTU Land & Water Board
