Attention: Crystal Thomas, Land Technician

Dear Ms. Thomas:

I represent Tulita Land Corporation, Fort Norman Metis Land Corporation, Norman Wells Land Corporation, Tulita District Land Corporation and Tulita District Benefits Corporation ("Tulita District Parties") and have been provided with a copy of your letter to "Distribution List" dated May 26, 2011 regarding a request by Eagle Plains Resources to extend Land Use Permits S07C - 005 and S07C - 006 for an additional two years.

My client has not provided me with items 2, 3, 4, 6 and 7 of your letter. I would appreciate it if you could mail these to me at your convenience as well as the attachments to items 2 and 5. When I have all of those items I will review them and will then be in a position to provide the legal advice that my client requires before sending any comments to the SLWB.

If the documents that I have requested do not deal with the issue can you also advise whether or not section 18 of the Regulations was complied with when the Land Use Permits were issued. If there was compliance at the time can you also advise if the compliance continues?

I look forward to your response.

Yours truly,
