Dear Ms. Ho,

**Re:**

**Deline Got'ine Government  
Water Licence - S12L3-006  
Term of Water Licence Extension  
Request for Review and Comments**

The Department of Environment and Natural Resources (ENR), Government of the Northwest Territories has reviewed the documents at reference based on its mandated responsibilities under the *Environmental Protection Act*, the *Forest Management Act*, the *Forest Protection Act*, the *Species at Risk (NWT) Act*, the *Waters Act* and the *Wildlife Act* and has no comments or recommendations for the consideration of the Board at this time; however, ENR does support the extension of the Water Licence and understands that Stantec Consulting Limited is working with the Deline Got'ine Government staff, the SLWB and the GNWT to complete some of the documentation to support the renewal application.

Should you have any questions or concerns, please do not hesitate to contact Patrick Clancy, Environmental Regulatory Analyst at (867) 767-9233 Ext: 53096 or email [patrick.clancy@gov.nt.ca](mailto:patrick.clancy@gov.nt.ca).
