Charter Community of Deline
Deline, NT, XOE OGO

Re: Support letter

This letter is serving as a letter of support for Charter Community of Deline in regards to the water treatment plant. This Water Treatment Plan is an important part of the initiatives the charter community has responsibility for and to ensure the municipal and community affairs are up to par to meet the health and safety needs of the community.

Should you have any questions, please let me know

Respectfully yours,
