Tony Morris, Regulatory Specialist  
Sahtu Land and Water Board  
P.O. Box 1  
Fort Good Hope, NT

Dear Mr. Morris,

Imperial has reviewed the Board's Direction on Procedure sent out earlier today by Mr. Dixon regarding our motion for confidentiality with regard to closure and reclamation costs.

We would like to sincerely thank the Board for their clear direction in this regard.

We respectfully suggest that AANDC, the GNWT and Imperial each identify their key contact person to work with Board staff and counsel to develop the process described in point #4 by June 20 so this work can get underway as soon as reasonably possible in order to meet the Board's deadline of July 18.

Thank you for your consideration.
