Dear Benjamin Fraser,

RE: Water Use Fees 2022

The SLWB would like to remind Imperial Oil Resources N.W.T. Limited that the water use fee for the period of March 1, 2022 through to March 1, 2022 is now overdue. Licence condition S13L1-007 Part B Condition 2 states that "the water use fees shall be paid annually...". Since the amount due annually is set by the total allowable Water withdrawal limit, set at 3,500,000 m<sup>3</sup>/year, the calculated annual Water Use Fee of **\$59,050.00** will be due every year on or before March 5 in accordance with the Board's Water Use Fee Policy<sup>1</sup>.

Please make the cheque payable to the **Receiver General for Canada** and submit to our office. Should you have any questions about this water use fee, please do not hesitate to contact the SLWB office.

Regards,

Bonnie Bergsma, M.Sc.  
Regulatory Coordinator-Specialist
