Dear Colson Foster,

Re: Imperial Oil Resources N.W.T. Limited - Water Licence –Amendment Application – Withdrawn – Waste Management Facility – Norman Wells Proven Area, NT

On September 26, 2022 Sahtu Land and Water (Board) received Imperial Oil Resources N.W.T. Limited (Imperial's) request, with reasons, to withdraw its Amendment Application to Licence S13L1-007¹ for the construction and operation of a Waste Management Facility (WMF) at Imperial's Norman Wells Operation (Project). The application is now considered withdrawn and closed.

The Board understands that Imperial will be reaching out to explore opportunities for coordination of future application assessment processes with the Sahtu Land and Water Board, the Mackenzie Valley Environmental Impact Review Board and the Canada Energy Regulator.

Please contact Bonnie Bergsma via email bonnie.bergsma@slwb.com or at (867) 496-2778 with any questions or concerns regarding this letter.

Respectfully,
