

Acknowledgement of Engagement Letter

Town of Norman Wells (insert community or organization name)
 hereby acknowledges receipt of the letter from Transport Canada providing information on the
 Norman Wells LTU project Water Licence (Type B Number S17L8-003)

(Select one of the following.)

The community/organization has no concerns or questions at this time. (Note: You may still submit concerns at any time to the PSPC Project Manager)

The community/organization has the following concerns or questions:

(As per inquiry) →

Due to the capacity of the municipal landfill, the Town of Norman Wells will only accept soils that meet the industrial criteria as per Appendix 3 of the GNWT Environmental Guideline for Contaminated Site Remediation / CCME Standards for PHC in soil. Please advise us if there are other parameters of concern.

Subject: Norman Wells Airport Land Treatment Unit (LTU) - Acknowledgement of Engagement Letter

Good Afternoon,
Transport Canada has received your acknowledgment of Engagement Letter Re: Normans Wells Airport LTU Project (attached).

To address you're your concerns, please note that upon decommissioning the Norman Wells Land Treatment Facility, compliant soils will be spread locally in around the Norman Wells Airport boundaries and should not be deposited within the landfill.

If you have further questions or concerns in this matter, please feel free to contact me at any time.

Thank you

Melissa Fraser
