Dear Philip Hestvik,

**Re: Enbridge Pipelines (NW) Inc. – Land Use Permit – Letter of Clearance – Camp and Integrity Digs – Saline River – KP 180 Enbridge Right of Way**

The Sahtu Land and Water Board (Board) met on December 7, 2022, to consider the Final Plan for Land Use Permit (Permit) S17P-005.

The Board received a Final Plan for this land-use operation on October 7, 2021.<sup>1</sup> Subsequently, an Inspector conducted a final inspection indicating satisfaction with all aspects of the operation and recommended closure of the file.<sup>2</sup>

Final Plan - Approved

The Board has approved the Final Plan, because it fulfills the requirements set out in subsections 29(1) and 29(2) and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

Fees

The Board notes non-refundable application fees were submitted in the amount of \$150.00 (Receipt #C151109<sup>3</sup>). Having considered the Final Plan, the Board has verified the land-use fees pursuant to 31(1) of the MVLUR for this land-use operation as follows:

<sup>1</sup> See SLWB Online Registry for [S17P-005 – Final Plan – Maps – Oct 7 21](#)

<sup>2</sup> See SLWB Online Registry for [S17P-005 – Inspection Report – June 27 22](#)

<sup>3</sup> See SLWB Online Registry for [S17P-005 – Enbridge – Receipt – Land Use Permit Application Fee – Feb 13 18](#).

Area Used (hectares)		Amount Due (\$)	
Total area used:	3ha	Application fee: (includes 2 hectares)	\$150.00
Total area paid for:	2.0ha	Land-use fees for additional hectares: (\$50.00/hectare)	\$0
		Amount Paid (\$)	
		Application fee: (includes 2 hectares)	- \$150.00
		Land-use fees paid:	- \$150.00
<b>Balance (Amount Due - Amount Paid):</b>			<b>\$0.00</b>

From the above calculations, the Board has determined that there are no land use fees owing or refundable for this operation.

Clearance Granted

The Board has granted final clearance of Permit S17P-005 because the requirements of the MVLUR and the conditions of the Permit S17P-005 have been met, and the Inspector has recommended final clearance. By issuing this Letter of Clearance for Permit S17P-005 the Board considers the Permit closed under section 33 of the MVLUR.

If any security has been posted by the Permittee, the Government of the Northwest Territories – Department of Lands/CIRNAC will handle any refunds or transfers upon receipt of this Letter of Clearance.

Based on Board records in accordance with Part C, item 1 of the associated Licence S17L1-004, which Board registry indicate has been closed, a security deposit in the amount of \$10,000.00 was posted with the Minister and copied to the Board on February 12, 2018. As there is no formal process to close a Licence, the Permittee may wish to contact the GNWT to confirm if security has been returned.

Please contact Benjamin Roy via email [broy@slwb.com](mailto:broy@slwb.com) with any questions or concerns regarding this letter.

Yours sincerely,

Tanya MacIntosh  
Chair, Sahtu Land and Water Board
