Thank you Melissa. I will present this update to the Board at our next meeting that is scheduled for March 26 and will request that an extension to the deadline is granted along with approval of the SCP, WMP and O&M Plan. I will also post this email as update to the Public Registry.

Respectfully,
Sabrina

Subject: Transport Canada - Norman Wells Airport LTU - Water Licence S17L8-003 - Updated Engagement Plan

Hi Sabrina,
As discussed TC is working on finalizing the requested updated Engagement Plan, fulfilling this requirement is a priority for TC, under the Norman Wells Airport LTU project.
We hope to have our engagement letters (update) mailed to stakeholders by end of day tomorrow, with submission to the SLWB no later than April 16, 2018.

If you have any questions or concerns moving forward, please let me know

Thank you

Melissa Fraser
