Dear Hugo Pabke,

The Sahtu Land and Water Board (Board) met on July 5, 2022 to receive the 2021 Annual Water Licence Report (Annual Report) which was submitted on May 4, 2022.

The Board acknowledges receipt of the Annual Report, a requirement of Licence S18L3-003, Part B, condition 21 and Schedule 1 and concludes the report meets the basic requirements for reporting on 2021 activities. To meet the concerns/recommendations of reviewers, the Board requests that the Licensee provide the following information to the Board by August 31, 2022:

- Current SNP location map with all surface and groundwater locations labelled. Board staff could assist with this, if required.
- An action plan for how and when groundwater sampling training will occur to allow sampling in 2022 and moving forward.
- An updated schedule for the anticipated Solid Waste Disposal Facility landfill expansion and finalization of the supporting Operations and Maintenance Plan, Legacy Waste Closure and Reclamation Plan, Interim Closure and Reclamation Plan (SWDF), and Hazardous Waste Plan.

Future Annual Reports should additionally include the following:

- SNP groundwater sampling results unless justification is otherwise provided.
- All correspondence with an Inspector related to spills including notifications and submission of reports.
- Water usage and sources for dust suppression, as committed, unless justification is otherwise provided.
- Submission of Annual Reports by March 31, as required by the Licence.

A copy of this letter will be filed on the Public Registry at the SLWB office. Please be advised that this letter is part of the Public Registry and is intended to keep all interested parties informed of the manner in which the Licence conditions are being met.

The Board notes and appreciates the Licensee's work to address Licence requirements and encourages the timely submission of future annual reports.

The full cooperation of the Town of Norman Wells is anticipated and appreciated. If you have any questions or concerns, please contact Marie Nietfeld at mnietfeld@slwb.com, or Bonnie Bergsma at (519) 289-3380.

Yours sincerely,

Marie Nietfeld, M.Sc.
