Dear Ms. Bergsma:

**Land Use Permit Application for
Geotechnical Investigation for 12 Mile Creek Bridge**

The Government of the Northwest Territories Department of Infrastructure (INF) is submitting the attached Land Use Permit (LUP) application package in support of geotechnical investigation for a water crossing located at 12 Mile Creek, approximately 14 kilometers east of Tulita, Northwest Territories (NT).

The purpose of this request is to investigate subsurface conditions at the crossing location to inform future bridge rehabilitation and/or replacement.

The attached LUP Application Package includes the following documents:

- Land Use Permit Application
 - Spill Contingency Plan
 - Waste Management Plan

Any comments or questions can be forwarded to me by email at Joe_Acorn@gov.nt.ca or by phone (867)767-9082 ext. 31029.

Sincerely,

Joe Acorn, M.A.Sc, P.Eng.
