

Great Bear Lake Lodge Ltd.

May 8, 2020

Dear SLWB,

Please accept this application for renewal of our existing permit S16F-001. The project has not been modified in any way, and as such, we request that we are exempt from Preliminary Screening Regulation and the Exemption List Regulations.

Our renewal permit will replace our existing permit S16F-001 and will cover all the previously allowed activities and will permit the transferring of the \$15,000 security deposit to the new permit once final clearance is granted.

Thank you for your cooperation.

Sincerely,

Chuk Coulter

GM/Lodge Manager
