

# Appendix H

## Letters of Project Support

January 15, 2021

Kelly Bourassa  
Senior Environmental Analyst  
Department of Infrastructure  
Government of the Northwest Territories

Good Morning Kelly,

Norman Wells Town Council would like to inform you that we are in support of proceeding with the geotechnical program at the Edie Lake Quarry and thank you for reaching out for comments.

Council would like to recommend that any work required to complete the geotechnical program at the Edie Lake Quarry be tendered rather than awarded through negotiated contract.

Kind Regards,

Frank Pope, Mayor  
Town of Norman Wells
