Dear Jared Suchan,

**Re: Integral Metals Corp. – Notification of Timeline Pause – S24C-004 – The KAP Property – Ravens Throat River - NT**

The Sahtu Land and Water Board (Board) met on June 25, 2024 and considered the Application Package from Integral Metals Corp. for Land Use Permit (Permit) S24C-004 for the KAP Property near Ravens Throat River, NT (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA). The Board has decided to invoke paragraph 22(2)(b) of the Mackenzie Valley Land Use Regulations.

The Board requires additional time to process the application due to extenuating circumstances related to the recent fire evacuation order issued on June 15, 2024 for the community of Fort Good Hope, NT and the Sahtu Land and Water Board office temporarily ceasing operations.

Please contact Natalie Lippa via [email](#) or at (780) 237 3571 with any questions or concerns regarding this letter.

Yours sincerely,

Valerie Gordon  
Chair, Sahtu Land and Water Board
