Dear Valerie Gordon:

The Northern Participant Funding Program (NPFP) has approved participant funding for the Sahtu Land and Water Board's (the Board) review of Imperial Oil Resources N.W.T. Limited's Submitted Type A Water License (S24L1-005) Renewal Application.

The Program has reviewed and approved funding allocations to two successful applicants. I am satisfied that these allocations will provide the best value to the Board's renewal process. We are pleased to award the following amounts to the successful applicants:

Recipient	Amount provided
K'ahsho Development Foundation (On Behalf of Five Fort Good Hope Organizations)	\$130,000.00
Sahtu Renewable Resources Board	\$8,600.00
TOTAL	\$138,600.00

This funding is contingent on each party being able to enter into and meet the requirements of a contribution funding agreement with Crown-Indigenous Relations and Northern Affairs Canada. The central point of contact for these agreements will be Trish Wilson, Northern Participant Funding Program Manager, Crown-Indigenous Relations and Northern Affairs, Trish.Wilson@rcaanc-cirnac.gc.ca.

In closing, I would like to thank the Board for their efforts in ensuring all parties have a meaningful opportunity to bring important information to the review of Imperial Oil Resources N.W.T. Limited's Type A Water License (S24L1-005) Renewal Application.

Respectfully,

Kim Pawley
