Dear Mark Cliffe-Phillips,

Re: Great Bear Lake Sites Remediation Project – Notice of Preliminary Screening Determination – Renewal Applications for Land Use Permit and Water Licence – Miscellaneous - Remediation – Southeast area of Great Bear Lake, NT

The Sahtu Land and Water Board (Board) met on July 18, 2024 and considered the Application Packages from Crown-Indigenous Relations and Northern Affairs Canada – Contaminants and Remediation Division (CIRNAC – CARD) for Land Use Permit (Permit) S24D-007 and Water Licence (Licence) S24L8-004 for the Great Bear Lake Sites Remediation Project located in the southeast area of Great Bear Lake, NT (Project) in accordance with the *Mackenzie Valley Resource Management Act (MVRMA)*.

The Board completed a preliminary screening of the Project on July 13, 2010¹ and CIRNAC-CARD has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Paul Dixon [via email](mailto:paul.dixon@slwb.com) or at (867) 598 2413 ext.225 with any questions or concerns regarding this letter.
