Dear Dustin Chaffee,

Re: Ekati's Spill Contingency Plan Version 12.0, and Waste Management Plan Version 5.0

The Wek'èezhii Land and Water Board (WLWB or the Board) met on March 29, 2019, to consider Dominion Diamond Mines ULC's (Dominion) Spill Contingency Plan Version 12.0, and Waste Management Plan Version 5.0 submitted in accordance with Part B, Condition 4 of Water Licence W2012L2-0001.

Due to the administrative nature of the updates, the Plans were not distributed for formal review. The Board has approved Version 12.0 of Dominion's Spill Contingency Plan and Version 5.0 of the Waste Management Plan as submitted. The Board thanks Dominion for their ongoing efforts.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Mackenzie", with a small flourish at the end.
