Dear Ms. Wedzin,

RE: Alternate Water Supply Use

The Wek'èezhii Land and Water Board met on December 15, 2014, to consider the request for use of alternate water sources for Edzo and Rae in accordance with Part C, Items 1 and 2, respectively, of the Community Government of Behchokq's Water Licence (W2014L3-0002). The Board has approved the use of the proposed alternate water sources until June 1, 2015.

The Board requests that the Community Government of Behchokq submits a plan to the Board for approval, no later than March 1, 2015, that outlines the steps and timelines that will address the issue surrounding long-term water use for both Edzo and Rae.

If you have any questions or concerns, please contact Sarah Elsasser at (867) 765-4583 or email at selsasser@wlwb.ca.

Yours Sincerely,
