**Subject:** Update from Behchoko - Water License/Project

Good afternoon Jessica,

As per Wek'eezhii Land and Water Boards letter to the Community Government of Behchoko, dated February 7, 2020 regarding Compliance with Water Licence W2014L3-0002.

For your information, the Community Government of Behchoko has been consulting with BluMetric and AECOM since late February and has recently awarded the following contracts regarding our "out of compliance" issues:

1. Geotechnical Inspections (and related reports) for the Rae and Edzo Sewage Disposal Facilities  
Contractor: AECOM (Michel Lanteigne)  
Timeline: Awaiting contract agreements
2. Geotechnical Sewage Treatment System Efficacy Studies for the Rae and Edzo Sewage lagoons  
Contractor: BluMetric (Yannick Lanthier)  
Timeline: Field work to be completed this summer and finalized by September 2020
3. Characterization for Edzo Sludge from Water Treatment Plant  
To be completed in-house by end of June
4. Sewage Disposal Facility Operation and Maintenance Plan  
Contractor: BluMetric (Yannick Lanthier)  
Timeline: 2 months (end-July)
5. Spill Contingency Plan  
Contractor: BluMetric (Yannick Lanthier)  
Timeline: 2 months (end-July)
6. Hazardous Waste Management Plan  
Contractor: BluMetric (Yannick Lanthier)  
Timeline: 2 months (end-July)

We also have the following work being completed by either BluMetric or AECOM:

- Closure and Reclamation Plan for the former Solid Waste Facility

Contractor: BluMetric (Yannick Lanthier)

Timeline: Updating plans to be submitted by December 2020 to ensure approval prior to summer of 2021

- Rae Lagoon Decant Structure Repair

Contractor: AECOM (Michel Lanteigne)

Timeline: mid-June

If you have any questions or concerns, please do not hesitate to contact me at the below number or reach out to Galvin Simpson, Manager of Water and Sewer Operations at 867-446-6401.

Masi,

**Treeva Richardson**
