Subject: WLWB - Compliance with Water License W2014L3-0002

Greetings from Behchokò

Thank you for the letter from WLWB regarding compliance issues with the Behchokò water license. I will review this letter with Chief & Council at the March 3rd Council Meeting.

I will also arrange for Ms Treeva Richardson to take personal ownership of these issues and I have the highest confidence in her ability to get issues resolved. Ms Richardson is returning from a secondment with the Tlìchò Government and will soon be stepping into the role of SAO for Behchokò.
