Subject: 2018 Scheduled dates for SNP Sampling & Landfarm Aeration

Good afternoon Jessica,

As per our phone conversation this afternoon. We have scheduled the following dates for this year's SNP Sampling and Landfarm Aeration.

SNP Sampling

- June 6
- July 4
- August 8
- September 5
- October 10

Landfarm Aeration (weather permitting but to happen during this time)

- May 28 – June 1
- June 18 – 22
- July 9 – 13
- July 30 – August 3
- August 20 -24
- September 10 – 14
- October 1 – 5
- October 22 – 26

I also informed both Galvin and Rene about the April teleconference training session. Both agreed with Tuesday, April 10th at 10:00 am.

Masi,

Treeva Richardson
