Dear Mr. Baran,

Reminder: Upcoming Annual Report and SNP Sampling

This is a reminder that the Community of Behchokq's 2017 Annual Report, as required under Part B, Condition 1 of Water Licence (W2014L3-0002), is due on March 31, 2018. We note that the 2016 Annual Report is still outstanding and may be submitted at this time.

The Annual Report Template for the Community of Behchokq is attached to this letter for your convenience. The Annual Report Template includes tables to allow for easier data entry of the 2017 Surveillance Network Program results.

We would also like to set up a teleconference meeting for early April to discuss the community's Surveillance Network Program for 2018 and set dates for upcoming sampling. Please contact us to set up a meeting. A friendly reminder that sampling bottles need to be ordered two weeks in advance of each sampling date.

We are happy to answer any questions regarding your reporting requirements or the template provided; please contact Jessica Pacunayen at (867) 765-4591 or by email jpacunayen@wlwb.ca.

Yours sincerely,
